‘Integrated Pest Management in Europe’

International Conference
November 24 and 25, 2010 - Paris, France

November 24

9:00 am

OVERVIEW: sharing four years’ research with the crop protection community
Convener: Pierre Ricci, ENDURE Coordinator
Chair: François Houllier, INRA / Guest speaker: Timothy Hall*, DG Research

10:10 am & 2:30 pm

CASE STUDIES: designing IPM strategies for improving sustainability and reducing pesticide dependency
- short-term solutions: the benefit of transnational studies
- longer term innovations: the value of the systems approach
Convener: Per Kudsk, Aarhus University and Antoine Messéan, INRA
Chair: Richard W. Smiley, Oregon State University

12:00 pm & 2:30 pm

EXTENSION: interfacing with European farm advisors and IPM trainers
- Demonstration of the ENDURE Information Centre and IPM training materials
- Advisors invited to participate in a European network
Convener: Piet Boonekamp, Wageningen
Chair: Paul van Mele*, extension consultant

4:45 pm

SUSTAINABILITY: multi-criteria assessment of IPM solutions
- Demonstration of methods and modelling tools
Convener: Franz Bigler, Agroscope

6:30 pm

ENDURE beyond 2010: official launch of the European Research Group
Convener: Vincent Troillard, INRA Transfert
Chair: Marion Guillou, INRA President and Director General

Project number: 031499 – ENDURE
6th Framework Programme – Thematic Priority 5 “FOOD and Quality and Safety”
www.endure-network.eu
PROVISIONAL PROGRAMME - July 2010
November 25

8:30 am & 11:30 am

RESEARCH: priorities and prospects in IPM research and technology

- IPM toolbox: new approaches and emerging technologies
- Panel discussion with public and industry research
- Demonstration of research tools and resources in the ENDURE Virtual Lab
- Links with research partners outside Europe

Conveners: Ian Denholm, Rothamstead Research; Maurizio Sattin, Consiglio Nazionale delle Ricerche; Pierre Ricci, INRA; Jean-Louis Sarah, CIRAD

Chair: Richard Bélanger, Université Laval

2:00 pm

IPM IMPLEMENTATION: The ingredients for successful IPM implementation in Europe

- Social and policy factors of success
- Panel discussions with innovative farmers and with government representatives

Conveners: Bernd Hommel, Julius Kuehn Institute and Marco Barzman, INRA

Chair: Stephen O. Duke, USDA

4:45 pm

THE FUTURE

Chair: Olivier Le Gall, INRA

Guest speaker: Wolfgang Reinert*, DG Sanco

- to be confirmed
